FOR KENTUCKY—Probably
showers Thursday.

Chile has lost two presidents by
death in two weeks.

LaFollette was an easy winner in
the Wisconsin primaries in the con-
test for renomination.

Progressive Republicans captured
the nominations in the New Hamp-
shire primary Tuesday.

Democrats made big gains in
Mont. Meade, Republican, for
governor has 13,200 majority over
Watson, Dem., as against a Repub-
lican majority of 24,500 in 1908, a
gain of 11,000.

The Republicans of the Fourth
Kentucky Congressional district met
in convention Monday at Lebanon
and nominated Dr. D. W. Gaddie,
of Larue county, to oppose the Hon.
Ben Johnson for Congress.

By the swamping of a gasoline
bunch in the Tennessee River, Misses
Rea Miller and Emma Sander-
son were drowned at Florence, Ala.
Their two brothers were rescued in
an exhausted condition.

The Republicans will hold a con-
vention Oct. 4, at Henderson, to
nominate a candidate for Congress
in the Second district, to oppose
Congressman Stanley. R. J. Salmon,
a brother of R. M. Salmon, is tipped
as the probable nominee.

A special says Mayor Gaynor is
gaining strength rapidly and walked
six miles in the hot sun Monday. It
is not his walking, but his running
qualities that must be considered in
nominating him for governor of
New York. The race will not be a
walk-over.

A cablegram from Paris says the
date for the marriage of Miss Kath-
erine Elkins and the Duke of the
Abruzzi has been fixed for the latter
part of February. It is understood
that before her marriage Miss Elkins
is to be created Countess of Teramo.
It is stated that the marriage portion
will be \$5,000,000.

MUST SKIP CITY
Authorities Fear Fortifica-
tions Will Be Photographed.

Strassburg, Germany, Sept. 7.—
What practically is a complete pro-
hibition for the Zepplin or other
passenger carrying airships to make
trips over this city or vicinity, was
decreed by the Government today.
The Military authorities feared that
foreign passengers might photo-
graph the fortifications and there-
fore declined to grant landing facili-
ties to the airships.

Beware of Ointments for Catarrh That
Contain Mercury.

Mercury will surely destroy the sense of smell
and completely derange the whole system when
entering it through the mucous services. Such
ointments should never be used except on prescrip-
tion from reputable physicians, as the damage
they will do is ten fold to the good you can possi-
bly derive from them. Hall's Catarrh Cure,
manufactured by F. J. Cheney & Co., Toledo, O.,
contains no mercury, and is taken internally,
acting directly upon the blood and mucous sur-
faces of the system. In buying Hall's Catarrh
Cure be sure you get the genuine. It is taken
internally and made in Toledo, Ohio, by F. J.
Cheney and Co. Testimonials free.
Sold by Druggists, 75c per bottle.
Take Hall's Family Pills for constipation.

**O. K. STORY IS
RECALLED BY DEATH**
Was Originally Used As A
Trade Mark by Firm That
Made Hard Tack.

Washington, D. C., Sept. 7.—The
death recently of Cornelius Kendall,
formerly of Chicago, at Toledo, re-
calls to many of his journalistic and
other friends what is believed to be
in all probability, the true story of
the origin of the widely known sym-
bols "O. K." As the story goes, at
the outbreak of the Civil War, dur-
ing which Cornelius Kendall served in
the Chicago Board of Trade battery,
there was a large bakery in the
Windy City of which his highly re-
spected father, Orrin Kendall, was
the founder and head. The firm
name was O. Kendall & Sons.
The concern had a big business in
supplying "hard tack" to the army
and navy, for its stuff was always
delivered on time and, besides, had
the added advantages of keeping
fresher than that supplied by other
bakers. Consequently the boys in
boots in the field declared that the
"O. K. Hard Tack" was better than
any other. I should add that the
firm stamped "O. K." on all its
crackers and other hard tack output.
Thus the spoken phrase "O. K." be-
came current army and navy slang,
and the veterans brought it back in
their civil occupations as a verbal
and graphic convenience.

SPALDING WEARS TOGA.
Defeated in Popular Vote but
Gets Majority of Counties

San Francisco, Sept. 7.—Complete
returns show that John D. Works of
Los Angeles was given a popular
plurality over A. G. Spalding and E.
A. Meserve in the advisory vote for
the office of United States Senator
in the August primaries. But the
returns also prove that Spalding was
the winner in the greatest number
of counties.
Works received 64,361 votes, Spald-
ing 63,461 and Meserve 52,553.
Spalding captured thirty counties,
Works twenty-two and Meserve five,
with Spalding and Works tied in
the other one. This will give
Spalding seventy-five pledged legis-
lators, Works thirty-nine and Mes-
serve six.

YOUNGEST WIDOW
Has Secured a Divorce at 9
Years of Age.

The youngest divorced couple in
the world is to be found in the court
of Abyssinia. On May 16 of last
year the Princess Romanis Onesk
was married to the Prince Lidj Eya-
su, the heir apparent, the bride be-
ing 8 years of age and the bride-
groom 14. Now they have been
divorced. It is not a question of
fault on either side, no incompati-
bility of temper, none of the causes
which figure so frequently in divorces.
The Princess happens to be the
niece of the Empress Taitu, and that
lady is not popular with the regents
of the country. So to prevent the
Empress exercising any baneful in-
fluence upon the future ruler's wife
the statesmen have required the
Prince to divorce her.

**MONTHLY MEETING
OF FISCAL COURT**
Busy Session Tuesday And
Numerous Matters Looked
After.

LARGE BATCH OF BILLS.

**Several Bridges To Be Built
And Others To Be
Covered.**

The regular monthly meeting of
the Fiscal court was held Tuesday
and considerable business was trans-
acted.
A large number of claims were
allowed and numerous appropri-
ations made.
The county jailer was appointed a
committee to have a warehouse
erected in the rear of the jail, suf-
ficiently large to shelter the tools
belonging to the county.
The sum of \$2,000 was appropri-
ated for the use of E. W. Coleman,
road supervisor, to be expended in
paying the expenses of the road
crews.

W. F. Randle, poor commissioner,
made his report and an appropri-
ation of \$700 was made for the pau-
per fund, to be expended in paying
pauper expenses of the county, out
side of the poor house.

Justice Fuller, Elliott and Martin,
County attorney Duffy and the road
supervisor were appointed a commit-
tee to advertise for bids to build
bridges across Fruit's creek, on the
Pilot Rock road, one near Macedonia
and one across Dulin creek on the
Johnson's Mill road.
Magistrates Dade, Morris and
Moore were named as a committee
to advertise and receive bids for the
work of covering the bridge across
Little River on the Canton pike and
the Mason's Mill bridge on the Cox
Mill road.

WONDERFUL SUCCESS
Of Miss Era Young in Busi-
ness in New York.

Miss Era Young, a daughter of
Mr. John Young, of this city, who
went to New York three years ago
as buyer for Forsythe's, has gone
into business for herself, opening a
large store for women's goods. She
has just entered into a lease of a
block on 24th street, between Broad-
way and Fifth avenue, for an annual
rental of \$25,000, to run for twenty
years. The aggregate of \$500,000
is perhaps the biggest deal ever
made by a Hopkinsville woman.
Miss Young has made a wonderful
success in New York, displaying rare
business talents, and has succeeded
in financing the big enterprise, she
has launched. Her father has just
returned from New York, where he
went to assist her in securing the
lease above mentioned.

30,000 GALLONS
Of Oil Has Been Used on the
Streets.

The oiling of the streets has been
in progress for several days, the
third and fourth cars of asphalt
road oil having been received. Al-
together about 30,000 gallons have been
used. The city bought the first car
for the business section and it gave
such satisfaction that the citizens on
many streets paid for oil by subscrip-
tion at the rate of 4 cents per lineal
foot frontage, and the city is spread-
ing it free of cost.

Merchants on a part of Main street
also bought enough oil to give the
street oiled in June a second coating.
This was being put on yesterday. If
the people want it, the street com-
mittee will order still another car.

**LURED FROM
THE FARM**
Emmett G. Logan to Re-enter
Journalism as Washington
Correspondent.

Bowling Green, Ky., Sept. 7.—
Emmett G. Logan, who several years
ago heard the call of the farm and
hid himself to Warren county, has
been reinfected with the scribbler's
itch and is going to take up his pen
again to punctuate man and measur-
es with his keen jabs. The national
capital will be the scene of Mr. Lo-
gan's renewed activities, and there
is no doubt that he can "come back."
Washington is rich in material for
Mr. Logan's facile pen.

Mr. Logan's sons have reached
manhood and he is going to give
each a farm. This will relieve him
of the responsibility of the manage-
ment of his broad acres on the banks
of old Barren, and being thus free
of care he reverses the order of the
times and goes back to printer's ink.
His work at Washington will be
along the line of correspondence for
which he is splendidly equipped.

To Oppose Judge Nunn.

of the First Appellate district at
Princeton, this afternoon unanimous-
ly nominated J. C. Speight, of May-
field, for Judge of the Court of Ap-
peals, to make the race against
Judge Nunn.
